Inspections of I-474 bridges begin April 1 *Shade-Lohmann spans down to one lane each for two weeks*

PEORIA — The Illinois Department of Transportation announces that routine inspections of the Shade-Lohmann bridges will begin Monday, April 1.

The inspections of the bridges that carry Interstate 474 over the Illinois River will require one lane to close in each direction between 8 a.m. and 4 p.m. and will last about two weeks, Mondays through Fridays.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
