Lane closures at US 24/150/IL 116 set March 25

EAST PEORIA — The Illinois Department of Transportation announces that the ongoing bridge reconstruction at the U.S. 24/150/Illinois 116 interchange will have additional traffic control beginning Monday, March 25.

Lane closures on east- and westbound U.S.24/150 will begin Monday, March 25, and last through the duration of the project. The ramp from westbound Illinois 116 to eastbound U.S. 24 will be closed Tuesday, March 26. A marked detour will be posted.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
