EAST MOLINE – The Illinois Department of Transportation announces today the eastbound driving lane of 18th Avenue (IL 92) will be closed temporarily from 10th Street to 13th Street in East Moline due to rough roads caused by potholes and drainage issues. This lane closure will be re-opened once conditions allow for repairs to be made.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
