Golf Road resurfacing begins June 10

CHICAGO – The Illinois Department of Transportation announced that the resurfacing of Golf Road (Illinois 58) from Meijer Drive, in Rolling Meadows, to Broadway Street, in Des Plaines, passing through Arlington Heights and Mount Prospect, will require daily, intermittent lane closures beginning, weather permitting, June 10.

The project consists of resurfacing Golf Road, constructing new pedestrian ramps and replacing deteriorated medians and gutters. Work will proceed from Meijer Drive to the east, with the project expecting to reach the intersection of Mount Prospect Road by the end of October.

The remaining portion of the project is anticipated to resume in next spring and be completed by June 2020.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
