Vincennes Avenue resurfacing in Blue Island

CHICAGO – The Illinois Department of Transportation announced that a resurfacing project on Vincennes Avenue between 119th and 127th streets, in Blue Island, will require daytime, intermittent lane closures beginning, weather permitting, Wednesday, May 8.

The project is expected to be complete by the end of September.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
