Lane Closures on US 67 in Alton

ALTON – The Illinois Department of Transportation (IDOT) announced that intermittent daytime lane closures will occur on US 67 between College Avenue and 9th Street starting on Tuesday, May 28, 2019, weather permitting. Two-way traffic will be maintained by flaggers. This work is necessary to perform guardrail repairs and is expected to be completed by May 31, 2019.

Delays will be experienced, and drivers should allow extra time for trips through this area. Drivers are urged to reduce speed, be alert for changing conditions, obey all construction signage, and refrain from using mobile devices while approaching and traveling through the work zone.

The contractor on this project is Midwest Fence Corporation of Chicago, Illinois.
