## Lane Closure on IL 157 near IL 161

**FAIRVIEW HEIGHTS** – The Illinois Department of Transportation (IDOT) announced that the outside lane of southbound IL 157 between I-64 and IL 161 will be closed during daytime hours starting Monday, June 3, 2019, weather permitting. One lane of southbound IL 157 will remain open at all times. In addition, lanes will be restricted on California Drive near IL 157. Two-way traffic will be maintained by flaggers in this area. This work is necessary to perform guardrail repairs and is expected to be completed by June 7, 2019.

Drivers should allow extra time for trips through this area. Drivers are urged to reduce speed, be alert for changing conditions, obey all construction signage, and refrain from using mobile devices while approaching and traveling through the work zone.

The contractor on this project is Midwest Fence Corporation of Chicago, Illinois.
