US 40 in Madison County

Troy – The Illinois Department of Transportation today announced that US 40 at Spring Valley Road will be restricted to one lane in each direction beginning Tuesday, May 28, 2019, weather permitting. These restrictions will take place daily between the hours of 9:00 AM and 3:00 PM. This work is necessary to complete pavement widening and signal installation and is expected to be completed by early November 2019.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.

The contractor on this project is Keller Construction of Glen Carbon, Illinois.
