Traffic in Adams Street work zone to shift May 23

PEORIA — The Illinois Department of Transportation announces that the traffic pattern in the Adams Street work zone in Peoria will be shifted Thursday, May 23.

In this new pattern, traffic will be shifted to the southbound side of Adams Street so the northbound lanes can be resurfaced and some sidewalk upgrades made. Left turns will remain limited to intersections with signals.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
