Lane closures set May 20 for Cedar Street Bridge

PEORIA – The Illinois Department of Transportation announces that daily lane closures on the Cedar Street Bridge, which carries Illinois 116 over the Illinois River, will begin Monday, May 20.

The closures are necessary so that crews can wash the bridge. Work is expected to last about a week.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
