Highway striping operations begin May 20

SPRINGFIELD – The Illinois Department of Transportation announces that striping of state highways will begin Monday, May 20.

New center lines, edge lines and no passing zone lines will be applied in the following counties: Adams, Brown, Cass, Christian, Hancock, Logan, Macoupin, Mason, Menard, Montgomery, Morgan, Pike, Sangamon, Schuyler and Scott. The annual striping operation is expected to last through November.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
