## **Illinois 100 closed at Pearl** *Closure extends south to Pike County line*

**PEARL** – The Illinois Department of Transportation announces that Illinois 100 from Pearl south to the Pike County line is closed because of rising floodwaters.

A message board to inform motorists about the closure will be posted in Detroit at the Illinois 100/106 junction. No detour will be set up.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
