## Work on Illinois 29 in Creve Coeur begins May 6

**CREVE COEUR** – The Illinois Department of Transportation announces that construction on Illinois 29 (Main Street) from Poplar Street to Margaret Drive in Creve Coeur will begin the week of May 6.

The work involves resurfacing, drainage and lighting improvements, and curb and gutter replacement. Lane closures will be required during the project, which is expected to be complete in May 2020.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
