## **Lane closures May 10 on Main in Creve Coeur**

**CREVE COEUR** — The Illinois Department of Transportation announces that intermittent lane closures on northbound Illinois 29 (Main Street) at the intersection of Highland/Rusche Street in Creve Coeur are planned Friday, May 10.

The lane closures are needed to replace a traffic light mast arm and will begin at about 8:30 a.m. Work is expected to be complete by noon.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
