REVISED — Illinois 57 in Quincy closed for flooding

QUINCY – The Illinois Department of Transportation announces that Illinois 57 (Third Street) in Quincy is closed between **Jefferson and Eighth** streets because of flooding.

To get around the closure, southbound through traffic should use Illinois 104 (Broadway Street) to Interstate 172 back to Illinois 57. Northbound through traffic should use I-172 to Illinois 104 back to Illinois 57. Businesses in the area that are expecting deliveries should note which side of the closure they are on, as it is difficult for trucks to turn around in that area.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to changed conditions and signs, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
