## **Lane closures set May 15 for eastbound McClugage**

**PEORIA** — The Illinois Department of Transportation announces that daily lane closures on the eastbound span of the McClugage Bridge, which carries U.S. 150 over the Illinois River, begin Wednesday, May 15.

The closures are necessary so that crews can wash the bridge and will take place between 6 a.m. and 2 p.m. during the project, which is expected to last about a week.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
