Dixon, IL – The Illinois Department of Transportation announces today that construction work on the I-80 Bridge over the Mississippi River will be suspended as of today, Wednesday, May 1, 2019 at 2:00 p.m. The suspension of work is due to the increased traffic on I-80 because of the downtown Quad City flooding causing limited access to the other river crossings. Until further notice, all lanes will remain open on the I-80 Mississippi Bridge.

Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
