## **Westbound U.S. 150 bridge down to one lane May 6** *Lane closures on McClugage needed for washing*

**PEORIA** – The Illinois Department of Transportation announces that lane closures on the westbound U.S. 150 McClugage Bridge will begin Monday, May 6.

The closures are necessary so that crews can wash the bridge. Traffic will be reduced to one lane between 8:30 a.m. and 3 p.m. during the work, which is expected to last five days.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
