## Daytime lane closures on West County Line Road

**CHICAGO** – The Illinois Department of Transportation announced that landscaping and drainage maintenance along West County Line Road between the Kane County line and Hart Road, in Barrington, will begin, weather permitting, Saturday, Nov. 16.

In order to complete the work, West County Line Road will be reduced to one lane with flaggers during the daytime hours. The locations of lane closures will change as the project progresses.

The work will occur between 8:30 a.m. and 4:30 p.m. until the Nov. 23 completion date.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
