I-55 bridge deck patching tonight in Bolingbrook

CHICAGO – The Illinois Department of Transportation announced that bridge deck patching on the northbound Stevenson Expressway (Interstate 55) bridge over Bolingbrook Drive (Illinois 53), in Bolingbrook, will require two lanes to be closed from midnight to 2 p.m. on Saturday, Nov. 9, weather permitting. At least one lane of traffic will remain open at all times.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
