Traffic pattern switch for Main Street in East Peoria

EAST PEORIA – The Illinois Department of Transportation announces that a traffic pattern switch on Main Street over Farm Creek in East Peoria is set for Monday, Nov. 11.

Beginning at 7 a.m., crews will reduce traffic on Main Street over Farm Creek to one lane in each direction to then allow two lanes open once the switch is complete, which is expected by the end of the day. The detour for motorists heading northbound on Main Street to Camp Street will remain.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
