Dixon, IL – The Illinois Department of Transportation announces today that weather permitting, construction work on the I-280 Bridge over the Mississippi River will begin on Wednesday, November 6, 2019. Civil Constructors, Inc. will be closing the eastbound (Illinois bound) outside lane on the bridge for one day to complete repairs found during a bridge inspection.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
