Lane, ramp closures on Illinois 53 at Palatine Road

CHICAGO – The Illinois Department of Transportation announced that pavement patching on northbound Illinois 53 over Palatine Road, in Palatine, is scheduled to take place, weather permitting, this weekend.

The work will require closing the ramp from eastbound Palatine Road to northbound Illinois 53, as well as the exit ramp from northbound Illinois 53 to westbound Palatine Road between 9 p.m. Friday, Oct. 18, until 9 a.m. Saturday, Oct. 19.

Lanes closures will be necessary on northbound Illinois 53, with one lane open at all times.

Due to the short duration of the closures, no detours will be posted. Motorists are advised to use adjacent entrances and exits as alternatives.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
