## Northbound U.S. 41 lane closure in Highland Park

**CHICAGO** – The Illinois Department of Transportation announced that northbound U.S. 41 (Skokie Highway) between Lake-Cook Road and Clavey Road, in Highland Park, will be reduced to one lane today until Friday, Oct. 4.

The location is currently part of an ongoing resurfacing project. Due to rains creating slick conditions on the unpaved surface in the work zone, the two right lanes of northbound U.S. 41 will be closed.

Both northbound lanes are expected to be reopened by Friday, Oct. 4.

Motorists can expect slower speeds and should watch for wet and slippery pavement through the work zone, allowing extra time for trips through this area. The speed limit will be reduced to 45 mph. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
