Overnight lane closures on inbound Ike in Forest Park

CHICAGO – The Illinois Department of Transportation announced that as part of the ongoing reconstruction of a new pump station, overnight lane closures will be required this week on the inbound Interstate 290 (Eisenhower Expressway) in Forest Park.

The closures will take place, weather permitting, between First Avenue and 17th Avenue, from 10 p.m. to 5 a.m., on Wednesday, Oct. 23, and Thursday, Oct. 24. The First Avenue entrance ramp to the Eisenhower Expressway will be closed during these hours.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
