Improvements to Golf Road in Schaumburg

CHICAGO – The Illinois Department of Transportation announced that median, curb and gutter replacement, as well as pedestrian ramp improvements, on Golf Road (Illinois 58) between Basswood Street and I-290/Illinois 53, in Schaumburg, will require intermittent, daytime lane closures starting, weather permitting, Monday, Nov. 4.

The work is expected to be complete by the end of December.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
