## Lane Restrictions – IL 15 in St. Clair County

**Alorton** – The Illinois Department of Transportation (IDOT) announced that the intersection of IL 15 and Pocket Road just west of I-255 will be restricted daily beginning Monday, October 28, 2019, weather permitting. All westbound lanes will remain open between 6:00 AM and 8:00 AM and between 3:00 PM and 6:00 PM in the eastbound direction. These restrictions are needed to make intersection improvements and place new traffic signals. All work should be completed by Spring 2020.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.

The contractor on this project is DMS Contracting, Inc. from Mascoutah, IL.

Follow our [Twitter](#) page to find details on other construction projects in IDOT's District 8. Updates on the impacts to traffic are available at <http://stl-traffic.org>.
