## **Lane closure on I-74 in Peoria set Oct. 8**

**PEORIA** – The Illinois Department of Transportation announces that a lane closure along westbound Interstate 74 between Sterling Avenue and the I-474 interchange will begin at 9 a.m. Oct. 8.

The closure is necessary to facilitate repairs to a damaged median wall and is expected to last four to six hours.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
