## Patching of Main Street in East Peoria set Oct. 17

**EAST PEORIA** – The Illinois Department of Transportation announces that pavement patching on Main Street (Illinois 29/116/8/U.S. 24) between Washington and Camp streets in East Peoria begins at 7 a.m. Oct. 17.

The work will require lane closures in each direction and is expected to be complete by 8 p.m.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
