## **U.S. 150 lane closures begin Oct. 22**

**EAST PEORIA** – The Illinois Department of Transportation announces that lane closures in both directions of U.S. 150 just east of the McClugage Bridge in East Peoria begin Tuesday, Oct. 22.

The closures are necessary for relocation of utility lines and are expected to last until the end of the week.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
