Work on Leverett Road begins Sept. 16

CHAMPAIGN – The Illinois Department of Transportation announces that construction on Leverett Road between Market Street and U.S. 45 just north of Champaign begins Monday, Sept. 16.

The project involves pavement repair and resurfacing and will require lane closures. One lane will remain open at all times, with traffic controlled by flaggers and cones. Work is expected to be complete by the end of November.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
