Old 66 pavement work begins Sept. 10

CHENOA — The Illinois Department of Transportation announces that pavement repairs on Old U.S. 66 from the Livingston County line south 7 miles in northern McLean County begin Tuesday, Sept. 10.

This \$1.6 million project involves patching and resurfacing and will require intermittent lane closures. One lane in each direction will be open at all times during the work, which is expected to be complete by the end of November.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
