Clark Bridge on US 67 in Madison County

Alton – The Illinois Department of Transportation (IDOT) announced that the Clark Bridge on US 67 will be restricted to one lane in each direction beginning Monday, September 9, 2019, weather permitting. This work is necessary to perform bridge repairs and is expected to be completed by mid-November of this year.

Drivers may experience delays and are asked to use alternate routes during this time. Drivers are urged to reduce speed, be alert for changing conditions, obey all construction signage, and refrain from using mobile devices while approaching and traveling through the work zone.

The contractor on this project is Keeley & Sons, Inc. of East St. Louis, Illinois.
