Resurfacing on IL 16/100 in Greene/Jersey Counties

East Hardin – The Illinois Department of Transportation (IDOT) announced that IL 16/100 will be intermittently restricted to one lane between the Joe Page Bridge and Busby Lane near East Hardin beginning on Monday, September 30, 2019, weather permitting. Two-way traffic will be maintained with the use of flaggers. This work will take place daily between the hours of 6:00 AM and 6:00 PM and is necessary to replace the asphalt surface. This work is expected to be completed by the end of November 2019.

Motorists should allow extra time when traveling through this area. Drivers are urged to reduce speed, be alert for changing conditions, obey all construction signage, and refrain from using mobile devices while approaching and traveling through the work zone.

The Contractor on this project is Charles E. Mahoney Co. of Belleville, IL.

For IDOT District 8 updates, follow us on Twitter at [@IDOTDistrict8](https://twitter.com/IDOTDistrict8) or view area construction details on IDOT's [traveler information map](https://www.gettingaroundillinois.com) on GettingAroundIllinois.com.
