Central Avenue resurfacing in Chicago

CHICAGO – The Illinois Department of Transportation announced that a resurfacing and sidewalk improvement project on Central Avenue between 53rd and 47th streets, in Chicago, will require daytime lane closures starting, weather permitting, Thursday, Sept. 19.

The work is expected to be complete by the end of November.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
