## **Belvidere Road improvements in Lake County**

**CHICAGO** – The Illinois Department of Transportation announced that drainage improvements on Belvidere Road (Illinois 120) just east of Wilson Road, in unincorporated Lake County, will begin Sept. 30.

The project will require daytime lane closures with one-way traffic controlled by flaggers. The work is expected to be complete by mid-November.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
