## Intersection improvements at Kedzie and 119<sup>th</sup> Street

**CHICAGO** – The Illinois Department of Transportation announced that improvements to the intersection of Kedzie Avenue and 119<sup>th</sup> Street, in Chicago, will begin, weather permitting, Monday, Sept. 30.

In the first stage of the project, the right lane of southbound Kedzie Avenue will be closed between 117<sup>th</sup> and 121<sup>st</sup> streets, with daily lane closures in the northbound lanes. After the first stage is complete, the right lane of southbound Kedzie will be opened and the right lane of northbound Kedzie will be closed between 117<sup>th</sup> and 121<sup>st</sup> street, with daily lane closures in the southbound lanes.

The project consists of installing storm sewers, widening and resurfacing the intersection, adding new sidewalks and modernizing traffic signals.

The work is expected to be complete by August 2020.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
