Sheridan Road closed in Glencoe for bridge work

CHICAGO – The Illinois Department of Transportation announced that deck resurfacing and the installation of new expansion joints on the bridge carrying Sheridan Road over the ravine between Ravine Glade Street and Hawthorn Avenue, in Glencoe, will require a full closure of Sheridan Road starting, weather permitting, Monday, Sept. 30.

A detour will be posted directing traffic around the work zone on South Avenue, Green Bay Road and Park Avenue.

The work is expected to be complete by the end of November.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
