Resurfacing, sidewalk improvements on Elston Avenue

CHICAGO – The Illinois Department of Transportation announced that a resurfacing of Elston Avenue between the Edens Expressway (I-94) and Central Park Avenue, in Chicago, will require intermittent lane and sidewalk closures starting, weather permitting, Monday, Sept. 9.

The project also involves replacing sidewalks and installing sidewalk ramps.

The work is expected to be complete by December.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
