## **Patching on Illinois 29 begins Sept. 16**

**EAST PEORIA** – The Illinois Department of Transportation announces that construction along Illinois 29 between Wesley Road in North Pekin and Springfield Road in East Peoria begins Monday, Sept. 16.

The project involves pavement patching and will require lane closures. Work is expected to last two to three weeks.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
