Dixon, IL – The Illinois Department of Transportation announces today that weather permitting, construction work on US 20 at Winnebago Road will begin on September 23, 2019. Rock Road Companies, Inc. will be completing the \$338,444 intersection resurfacing and signal upgrade improvements project.

Nightly lane closures will be utilized between the hours of 6:00 p.m. and 6:00 a.m., Monday thru Thursday. Roadway work is expected to be completed by mid-October.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
