PRESS RELEASE

Collinsville Road between IL 203 and IL 111 St. Clair County

East St. Louis – The Illinois Department of Transportation announces the intermittent daytime and overnight closure of lanes to perform patching work on Collinsville Road between IL 203 and IL 111 in both directions from Tuesday, September 10th through Monday, September 16th, 2019. The East St. Louis Maintenance Yard will be making the needed repairs. Full access will be restored as soon as possible. At least one lane will be open in both directions at all times.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
