Work on Main Street in East Peoria begins Sept. 9

EAST PEORIA – The Illinois Department of Transportation announces that repairs to the bridge that carries Main Street (U.S. 24) over Farm Creek just west of the Main/Camp Street intersection begins Monday, Sept. 9.

The project involves replacing bridge joints and will require lane closures and changed traffic configurations. A detour for traffic using northbound Main Street to westbound Camp Street will be posted. Work is expected to be complete by Nov. 4.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
