## Higgins Road bridge repairs begins Monday

**CHICAGO** – The Illinois Department of Transportation announced today that a bridge deck overlay with joint repairs on Higgins Road (Illinois 72) over the CN Railroad, in Hoffman Estates, will begin, weather permitting, Monday, April 13.

In order to complete the work, westbound Higgins Road between just west of Sutton Road (Illinois 59) and just after the railroad bridge will be reduced to one lane. The work is expected to be completed in June.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
