## **McCormick Boulevard resurfacing begins April 27**

**CHICAGO** – The Illinois Department of Transportation announced today that resurfacing of McCormick Boulevard from Devon Avenue, in Lincolnwood to Dempster Street, in Skokie, will require daytime lane closures, beginning, weather permitting, April 27.

The project, which consists of patching and resurfacing the 3 mile stretch of McCormick Boulevard, constructing new ADA-compliant sidewalk ramps, replacing deteriorated curbs and drainage improvements, is expected to be completed in September.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
