Flavin Road resurfacing begins April 20

CHICAGO – The Illinois Department of Transportation announced today that resurfacing of Flavin Road (104th Avenue) from just south of Archer Avenue (Illinois 171), in Willow Springs, to 107th Street, in Palos Township, will require daytime lane closures beginning, weather permitting, April 20.

The project, which consists of patching and resurfacing the 2.4 mile stretch of Flavin Road, is expected to be completed in July.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
