Illinois 31 resurfacing begins May 4

CHICAGO – The Illinois Department of Transportation announced today that resurfacing of Illinois 31 from Shamrock Lane, in McHenry, to north of Edgewood Road, in Prairie Grove, will require daily, intermittent lane closures beginning, weather permitting, Monday, May 4.

The project, which consists of resurfacing the 2.3 mile stretch of Illinois 31, installing a centerline rumble strip and new shoulders, is expected to be completed in September.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
