## **Illinois 120 resurfacing begins this week**

**CHICAGO** – The Illinois Department of Transportation announced today that resurfacing of Illinois 120 from Illinois 47, in Woodstock, to Martin Road, in McHenry, will require daily lane closures beginning, weather permitting, the week of April 20.

The project, which consists of patching and resurfacing the 7.8 mile stretch of Illinois 120, constructing new ADA compliant sidewalk ramps, replacing deteriorated curbs and performing drainage improvements, is expected to be completed in November.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
