Illinois 25 resurfacing begin this week

CHICAGO – The Illinois Department of Transportation announced today that starting this week the resurfacing of Illinois 25 (Liberty Street) from Villa Street to Page Avenue, in Elgin, will require daytime and occasional nighttime lane closures with flaggers.

The work involves patching and resurfacing the 1.8 mile stretch of Illinois 25, constructing new ADA-compliant sidewalk ramps, modernizing traffic signals and replacing deteriorated curbs. Access to residences and businesses within the work zone will be maintained during the project, which is expected to be completed by late July.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
