U.S. 52 near Serena to close May 1 *Bridge deck replacement over Indian Creek*

SERENA – The Illinois Department of Transportation announces that U.S. 52 about 2 miles west of Serena will close May 1.

The closure is necessary to replace the deck of the bridge that carries U.S. 52 over Indian Creek and is expected to last until November. A detour utilizing Illinois 71, Interstate 80 and Illinois 23 will be posted.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
